Re: Illinois Freedom of Information Act

Dear Sir or Madam:

This is a request under the Illinois Freedom of Information Act (“FOIA”)¹ on behalf of our client, Muslim Advocates, for records pertaining to the Chicago Police Department’s (“CPD”) collaboration with state and/or federal law enforcement regarding counterterrorism investigations and intelligence operations.

Background

Following the attacks of September 11, 2001, state and local law enforcement agencies assumed new counterterrorism responsibilities in addition to their traditional roles of investigating crimes and patrolling neighborhoods. Law enforcement agencies in virtually every major jurisdiction across the country now engage in a range of counterterrorism efforts designed to prepare for and foil terrorist attacks; these agencies have also increased their coordination and collaboration with their federal counterparts through fusion centers, task forces, and similar entities. In light of recent events suggesting possible increased surveillance of Muslim communities by various law enforcement agencies in the context of counterterrorism efforts, Muslim Advocates seeks information from the CPD.

Request

We hereby request the following records under the FOIA:

- All memoranda of understanding, contracts, policy manuals, or executed agreements between the CPD and the Chicago Crime Prevention and Information Center and/or the Illinois Statewide Terrorism and Intelligence Center.

¹ 5 ILCS 140/1 et. seq (West 2011).

- All documents, procedures, training materials, charts, statistics, reports, and audits provided to the CPD by the Illinois Terrorism Task Force and/or the Illinois Statewide Terrorism and Intelligence Center to:²
 - “Violent extremism” or “countering violent extremism.”
 - “Islam,” “radical Islam,” radical Islamic terrorism,” “sharia,” or “jihad.”
 - Counterterrorism investigations and intelligence operations.
- All documents, procedures, training materials, charts, statistics, and reports displayed or provided by the CPD or its agents, employees, consultants, representatives, or independent contractors that refer or relate to “violent extremism” or “countering violent extremism.” We request only copies of materials shown, presented, displayed or provided since January 1, 2016.
- All training materials shown, presented, displayed or provided by the CPD or its agents, employees, consultants, representatives or independent contractors to CPD personnel that refer or relate to the Muslim community, Islam, “radical Islam,” radical Islamic terrorism,” “sharia,” or “jihad”. We request only copies of materials shown, presented, displayed or provided since January 1, 2016.
- All documents, procedures, training materials, charts, statistics, reports, and audits relating to the Chicago Crime Prevention and Information Center that:
 - describe its nature and purpose;
 - describe its procedures for collecting, receiving, analyzing, disseminating, or storing intelligence information; or
 - describe its procedures for conducting limited intelligence investigations.
